STATOTHR Dear Mr. Dulles:

I believe you will remember a friend by the name of [redacted]
[redacted] is now in the Federal Penitentiary at [redacted]
and hopes for a parole soon.

STATOTHR
STATOTHR

I have agreed to be his parole advisor and will aid him in finding employment, housing, etc. He writes every week and seems to be past any future illegal activities; in fact he has become very religious and writes devotional letters for our young people each week.

He asked me to write you to see if you or some of your boys would correspond with him. I hope you find it possible to do so for it would help [redacted] get on his feet and make a good beginning this time.

STATOTHR

Sincerely yours,

/s/
David K. Fison
